# Here's how Kat Buir is changing her plans but not changing her vision.

“We've organized our week around pursuing the same values we always do: **Healthy Plate Discipleship and Framily**. You can look at the [updated Youth Calendar here](#) for the schedule!

We've color-coded our activities of by Healthy Plate Discipleship categories below ([worship](#), [learn](#), [serve](#), [give](#), [pray](#), and [play](#)) and hope your teenager will join us!

**Sunday - Live Stream Worship Services:** We're livestreaming the Gathering, the traditional service, and 11:11 every week [here](#)! We encourage you to worship as a family during this season! We're also developing a "Family Sunday School" curriculum to be done at home alongside other ministries and will keep you posted!

**Monday & Wednesday - Instagram Live Devotional:** Kat and Matt will be going live on Instagram (@fumcfwyouth) every Monday and Wednesday at noon for a 10 minute devotional and check in!

**Monday - Facebook Live Parent Check-in:** We will also be going live on Facebook every Monday at 12:15pm for a parent update and check in, where we'll talk about what we're going to be doing that week, how we'll be in contact with your kids and asking what y'all need!

**Tuesday - (Virtual) Bibles & Bagels:** Our Lenten Bible Study will now be hosted online via Zoom on Tuesday mornings at 10am! We will still post a quick update about what we'll be talking about on Mondays and send out the link into the Zoom call on our Insta story on Tuesday.

**Thursday - GameTime:** We will be hosting some kind of virtual game (it will vary every week) that will be open for all our teenagers to participate in.

**Friday - Weekend Challenge:** On Fridays we'll post some sort of challenge that will provide ideas for how your teenagers can serve or give in some way! They'll be encouraged to take pictures and share.
